## Exclusive treatments and products

At The Clearing Spa our team of highly qualified and experienced therapists offers a broad range of treatments including massages, facials and body treatments. These can be enjoyed in one of our five treatment rooms. There is also a nail bar where we have hand and foot treatments available.

We are the only Spa in Cornwall to use The Aromatherapy Associates and The Refinery retail outlet so you can continue to use our fabulous products at home.

You can see the full menu of treatments, and the range of spa products at [www.thecornwall.com](http://www.thecornwall.com)
